TAHITIAN NONI™ Skin Care System

TAHITIAN NONI™ skin care system nourishes the skin at the cellular level. Now your skin can be softer and more supple than ever before. Like all of Morinda's products it has been developed around our own **TAHITIAN NONI®** juice. It will provide the means for maintaining optimal health for your skin.

Our skin care system features the following products

TAHITIAN NONI™ Skin Supplement

TAHITIAN NONI™ skin supplement, formulated using **TAHITIAN NONI®** juice and containing all natural ingredients, can hydrate your skin and help return it to its normal pH balance. It can be used on all types of skin and is ideal for every member of the family. Use daily. Available in two sizes: 6 ounce and 2.5 ounce.

TAHITIAN NONI™ Skin Supplement with SPF 15

TAHITIAN NONI™ skin supplement in its original formula, with added SPF 15, is ideal for outdoor use. Protect your skin against the sun's harmful and damaging rays with the extra benefit of TAHITIAN NONI® juice. Available in 6 ounce and 2.5 ounce tubes.

TAHITIAN NONI™ Facial Replenisher

TAHITIAN NONI™ facial replenisher is a lighter formula specifically designed for use on delicate facial tissue. Our facial replenisher, fortified with pure and natural TAHITIAN NONI® juice, hydrates and nourishes the skin with other natural emollients, giving the skin a youthful look and feel. Use morning and evening after cleansing face. Available in 2.5 ounce tubes.

TAHITIAN NONI™ Oil

Morinda's essential oil is an exotic blend of TAHITIAN NONI™ oil and other natural oils. The TAHITIAN NONI™ oil has been specifically created to give the body the benefits of the most concentrated form of the M. citrifolia. Applied topically TAHITIAN NONI™ oil is absorbed directly into the skin, visibly reducing the appearance of fine lines and wrinkles. Mixed with the skin supplement, the benefits of TAHITIAN NONI® juice are enhanced. Massage a small amount on to the skin.
